Hi Lorena,
It has been awhile since we have talked.
Are you looking to rent trolley?
Did you find one for last year?

Nancy

Nancy,

How can I find out how to get it here and how much it would cost?

Hi Lorena,
Per your request the leasing quotes for unit # 8242 the 1997 Molly would be \$4200.00 per month with a minimum of 6 months rental. Transportation to and from our facility would be your expenses. All maintenance, insurance , licensing and registration would be at your expense.

Unit #8229 would be the same price and terms as above.

The new open air trolley #E0090030 would be \$4,500 and the same conditions above. The beauty of this unit is that there will be no maintenance involves as everything is under warranty.

The payment terms of all units leased would be all 6 months paid in advance to picking up unit.

Let me know if you have any other questions?

Nancy
